Confidentiality: CSI CARES team and Student Mental Health Services are committed to maintaining confidentiality of student records and information. We only share student/client information as permitted through written permission form students, if there is evidence of potential harm to self or others, or as required by law.

CSI Student Mental Health Services: Students can access free and confidential counseling M-F 8am to 5pm. Please see CSI Mental Health Services web page for extended hours and further information. Students should be encouraged to make an appointment if possible.

Use the link below for reporting any type of concern relating to CSI. These reports can be completed anonymously and done by anyone whether they are a student of a community member: <https://cm.maxient.com/reportingform.php?CollegeofSouthernID>

Be sure to exhaust any CSI resources for students before seeking community assistance.
